

PHILIP MORRIS MANAGEMENT CORP.

INTER-OFFICE CORRESPONDENCE

120 PARK AVENUE, NEW YORK, N.Y. 10017-5592

TO: Mr. Hamish Maxwell
FROM: Fredric S. Newman
SUBJECT: U.S. Warning Labels

DATE: September 13, 1990

Mr. Houminer asked me to confirm to you that roll-your-own, loose tobacco sold in the United States is not required to carry the U.S. Surgeon-General's warnings.

However, loose tobacco sold in California would be subject to the Proposition 65 regulations, and by the terms of a settlement of a suit brought by the California Attorney General, roll-your-own tobacco sold in that state carries the following warning:

"WARNING: This Product Contains/Produces Chemicals Known To The State Of California To Cause Cancer, And Birth Defects Or Other Reproductive Harm."
